Annual Archery Club Membership

The archery grounds, facilities, and events are maintained and operated exclusively by the volunteered time of members.

All users of the grounds will be members, escorted guests, event participants, or renters. All members over 14 years of age are expected to participate in club operations.

At time of registration, members will select the type of volunteer work to be involved in, to a minimum of six hours of volunteer work per season.

For those unable to volunteer time, an increased membership fee of \$100 will be accepted.

For insurance purposes, all members actively participating in archery will require BC Archery Association membership in addition to a BV Bowmen club membership.

BCAA membership can be arranged and paid at <https://archeryassociation.bc.ca/about/membership>
Please ensure to include BCAA member number on the registration form.

Complete this form and submit with payment; by mail to the address at top of this form, or in person to Helix Communications & Energy or Glacier Toyota.

The membership year runs from January 1 to December 31.

Event planning starts in January.

The Annual General Meeting is the last weekend of April, during the Spring 3D tournament.

Make all cheques payable to "Bulkley Valley Bowmen"

Thanks and happy shooting.
